## Employment Services in Rural Communities

The Employment First Missouri Community, a collaborative between the Division of Developmental Disabilities and the Institute for Community Inclusion, will host an interactive web session on **November 21, 2019** from **10:00 AM - 11:00 AM** (CST) about ***Employment Services in Rural Communities***.

This webinar will:

- Discuss strategies for engaging individuals, families, and others in employment
- Focus on job development and business engagement practices
- Identity considerations for career exploration and employment supports

Registration is required. Please register [here](#)
